JUNIOR SAILING

"This is an ideal location for a venue... the setting on the Ware River is absolutely gorgeous. On a scale of 1 to 10, it's definitely a 10."

Junior sailing is a great way for youngsters to young adults to learn how to sail and race. WRYC has offered a Junior Sailing Program since its inception in 1971. Our counselors are mostly alumni, and seek to teach sailors basics of rigging, launching, sailing and racing. We offer three 2-week sessions throughout the summer, but they fill up fast. Your membership allows for early access to registration as well as a discounted rate.
